Corporate Profile

**AUSTRALIANCORPORATEINTERIORS**

Innovation & Service excellence is our promise... Australian Corporate Interiors ACI commenced operation in the late 1980's. John Hurley, an expert in ergonomic commercial furniture design was engaged by JBWere and EL&C Baillieu to design and install dealing desks nationally. Melbourne Water (including the now Parks Victoria) also engaged ACI to supply and install a complete range of ergonomic office furniture for their head office and branches.

Positive referral to Science Works, Department of Agriculture and the Bank of Tokyo soon followed, and the ACI team worked successfully for all clients to create better working environments, designed to withstand the rigours of time.

To this day ACI consult closely with customers and offer a complete range of commercial fit-out and furniture solutions to suit any budget requirement.

## Case Study 1

### E.L. & C Baillieu

Stock broking firm, E.L. & C Baillieu had outgrown their office of 30 years at level 27, 360 Collins St, Melbourne. A new space, one floor below was on offer and ACI were briefed to transform an empty shell into a fresh, yet timeless office space.

ACI's joinery experts custom built the dealing desks and our interior decoration team sourced all furnishings. The end result is a bright open dealing room that blends classic furnishings with modern, yet timeless architecture.

By all reports the new E.L. & C Baillieu dealing room has met with their customer approval, and ACI are proud to have an enduring relationship with senior management of this highly regarded company.

## Case Study 2

### Goldman Sachs JBWere

ACI have worked with JBWere for over 25 years and have installed customised dealing desks and loose office furnishings Australia wide. In the late 90's ACI strategically planned and managed, with military precision, a head office relocation over a single weekend. Existing office furniture was relocated into their new tenancy at 101 Collins St, Melbourne and was integrated with new furniture without interruption to business trading.

## Case Study 3

### Royal South Yarra Lawn Tennis Club apartments

Visitors travel from all around the world to visit Melbourne's Royal South Yarra Lawn Tennis Club. When RSYLTC decided to renovate their Verdant apartments ACI was engaged to supply furnishings which helped transform the original dwellings into captivating accommodation.

ACI designed and handled all elements of the interior decoration, solid timber cabinetry and furnishing. Special attention was also given to sourcing ultra comfortable mattresses and bedding, the key to an enjoyable night's rest.
